

# S.M.A.R.T. Professional Development

## S.M.A.R.T. Goal Process Training + implementation support

This affordable, time-saving QLD service supports schools in learning the S.M.A.R.T. Goal Process and tools. We begin with the two-day S.M.A.R.T. Goal Process Training in which the participants use their own school data to develop a basic understanding and working knowledge of the **S.M.A.R.T. Goal Process**. Participants will learn and apply practical, easy-to-use tools and methods designed to keep teams focused on their highest priority work – student achievement.

The initial training is followed by three days of on-site coaching and up to six 45 minute phone support sessions per team. Coaching and support are provided by QLD-certified S.M.A.R.T. Coaches.

We will collaborate with your district-level Steering Committee to guide the work, using our **S.M.A.R.T. Solution Measurement System (SSMS)** to gauge the impact of your S.M.A.R.T. professional development on student achievement, the capacity for leadership and sustainability.

In addition to a copy of *The Power of SMART Goals* by Jan O'Neill, Anne Conzemius, Carol Commodore and Carol Pulsfus, and training materials, participants receive the use of an online survey and a report for each of the schools involved.

Contact **Kiett Takkunen** for details:
